

Join SV@Home as we host Affordable Housing Week 2018 in Santa Clara County! Affordable Housing Week aims to bring our diverse community together to raise awareness, educate, engage, activate, and unite around affordable housing issues and how we can work together to make Santa Clara County a more affordable place to live for all of our residents. Events during the week will include a Housing Summit, workshops and trainings, housing tours, our annual Policy Breakfast, and much more. The generous support of our sponsors allows all of this to happen!
