

This series of tables compares the progress of the cities of Santa Clara County toward their assigned RHNA, as of the end of 2019. Cities with blue bars are on track to meet their allocation by the end of the planning period, based on their current rate of permitting. Cities with purple bars are not on track to meet their allocation. This data is reported annually by cities and compiled by HCD.

RHNA 2015-2023 Progress as of 2019: Mod

RHNA 2015-2023 Progress as of 2019: Market Rate
