Rapid Growth in Rent and Home Prices Caused by Housing Shortage is Displacing Families

SOURCE: Santa Clara County Association of Realtors December 2021.

- Home prices have increased close to 300% in the last decade.
- Since 2012, rent has increased more than 75%.
- The housing shortage creates a market where young families are “priced out.”
- Lower and moderate income families are increasingly displaced by rising rents.

What's ahead?

Enrollment is Forecast to Continue to Decline Without New Housing

- Elementary school enrollment across traditional public, private, and charter schools will continue to decline 13% over the next decade.
- K-12 school enrollment will decline 15% over the next decade- a loss of more than 41,000 students.
